Course Duration: 1 Day

Price Per Delegate: £245
(Public Scheduled Course)

Price Per Course: £745
(On-Site at Customer Premises)

Suitable For:

Those with little or no experience of Adobe Illustrator who need to create and edit professional illustrations, published in a variety of outputs.

Learning Outcomes:

By the end of the course delegates will gain a sound understanding of Illustrator and will be able to create and manipulate artwork for virtually any medium.

Prerequisite Skills:

Delegates attending this course must be proficient with a mouse and keyboard and be able to confidently work within a Windows environment - minimise, maximise, open, close.
